

Al-Anon Information Service (AIS) Flyer Guidelines

Guidelines regarding posting flyers in the AIS office

1. All flyers that state they are sponsored by a specific Al-Anon/Alateen Group, a District, the Area, AIS or World Service Office (WSO), announcing a sponsored event of that particular group (i.e. Fund Raiser, Speaker Meeting, Anniversary Meeting or Social Event) will be posted in the AIS office, on the AIS website and available for distribution to the Al-Anon/Alateen Groups. These flyers may not include the name or location of a social gathering before or after the regularly scheduled meeting.
2. AA events with Al-Anon participation will also be posted in the AIS office, and on the AIS website if the participating Al-Anon Group, District or Area is noted on the flyer.
3. Al-Anon/Alateen flyers from meetings that follow WSO flyer guidelines will be posted.
4. Only flyers that meet the above guidelines may be posted in the AIS office.
5. Flyers that do not meet the above guidelines *will not* be posted and the appropriate group or contact person will be notified by the AIS officer manager.

Motion approved at AIS/ISR Service Committee Meeting, November 20, 2014 to accept changes to guidelines.
