What is NW Team 2017?

Get ready for a weekend of **fun, fellowship, experience, strength,** and **hope!** We have speakers, panels, workshops, and a whole lot of fun in store for you. **Register today!**

But wait, **what is a 'TEAM Event'?**

TEAM events were started in 2009. The **World Service Office** was seeking a way to get more face-to-face contact with members of the Al-Anon Family Groups fellowship. They replace the previous **Regional Service Seminars**. It's a way to provide folks an **opportunity to network and to be of service to one another** in a meaningful interaction of speaker panels and other AFG events, all jam packed into one weekend.
